LinkedIn | Portfolio

**Registered nurse with nine years of experience providing patient care in surgical, medical-surgical, and emergency departments. Skilled in clinical assessment, care plan implementation, and interdisciplinary collaboration. Known for delivering compassionate, evidence-based care and supporting positive outcomes in high-acuity settings.**

## Professional Experience

### Registered Nurse

*St. Mary's Medical Center, Kansas City, KS*

*September 2018 - Present*

- Provide care to 12 to 15 patients per shift in a 40-bed medical-surgical unit with diverse diagnoses
- Administer medications, monitor vitals, and document care in the EHR system with 99% accuracy
- Collaborate with physicians and allied health staff to reduce hospital readmissions by 22%

### Registered Nurse

*Hillside Regional Hospital, Topeka, KS*

*July 2015 - August 2018*

- Delivered bedside care to trauma and post-operative patients in a 15-bed emergency department
- Supported discharge planning and patient education, improving compliance with home care instructions
- Participated in a hospital-wide fall prevention initiative that led to a 17% reduction in incidents

## Key Skills

- **Clinical documentation**
- **Emergency response**
- **Patient education**
- **Post-surgical care**
- **Vital signs monitoring**
