Certified nursing assistant (CNA) with six years of experience delivering compassionate care in long-term care and hospital settings. Skilled in ADL support, infection control, and patient observation. Known for improving workflow efficiency and reducing incident rates through proactive care.

Professional Experience

Certified Nursing Assistant *Tampa General Hospital | Tampa, FL | June 2020 - Present*

- Provide hygiene, mobility, and nutritional assistance to 30+ patients per shift in a 200-bed medical-surgical unit
- Monitor post-operative patients and document vitals, contributing to a 21% reduction in unplanned readmissions
- Participated in a shift restructuring pilot that improved staff coverage and decreased call light response time by 35%

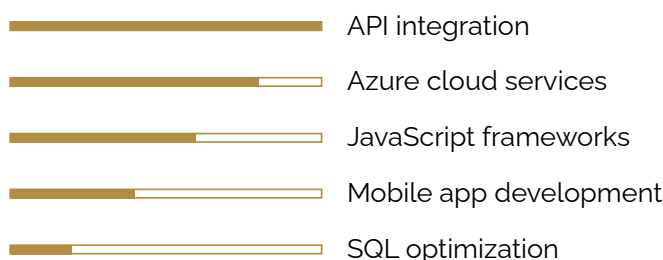

Certified Nursing Assistant *Cypress Point Rehab Center | St. Petersburg, FL | June 2018 - May 2020*

- Supported daily care and charting for 20 residents, maintaining 100% compliance during quarterly state inspections
- Trained new CNAs on safe transfer techniques and electronic health record (EHR) usage
- Assisted with wound care and infection control, contributing to a 17% decrease in skin-related complications

Education

Associate of Science (A.S.) Nursing *Hillsborough College, Tampa, FL | May 2018*
