Registered nurse with nine years of hospital-based experience in surgical, orthopedic, and step-down units. Focused on delivering patient-centered care, reducing risk, and improving clinical outcomes through teamwork and protocol adherence. Highly skilled in acute monitoring, wound care, and discharge education.

## Professional Experience

### Registered Nurse

Mercy General Hospital | Kansas City, KS September 2018 - Present

- Care for 10 to 14 patients per shift in a 36-bed orthopedic unit, helping reduce post-op complications by 23% through early intervention
- Implemented a nurse-led patient mobility program that decreased average length of stay by 0.8 days
- Led care team huddles and coordinated follow-up instructions, increasing discharge readiness documentation accuracy to 98%

### Registered Nurse

County Regional Health | Topeka, KS June 2015 - August 2018

- Supported emergency room triage and trauma care, with an average response time under five minutes for critical patients
- Educated post-surgical patients and families, raising discharge compliance scores by 17% in hospital surveys
- Monitored vitals and initiated sepsis alerts, contributing to a 20% reduction in adverse outcomes over 18 months
